QUOTE from: **New Canadian organization will help fund solutions to health challenges in developing countries**

1. **“The Bill & Melinda Gates Foundation is supportive of the mission of Grand Challenges Canada and pleased to work together on the Grand Challenge of Point-of-Care diagnostics**
2. **New Canadian organization will help fund solutions to health challenges in developing countries**
3. **“Diagnosis is the prelude to effective treatment. Bringing diagnostic tools to the patient's bedside is better, faster, and cheaper than sending a sample to a laboratory 100 km away.**
4. **“Support the best minds in the world as they search for breakthroughs in global health and other areas that have the potential to bring about enduring changes in the lives of millions of people in poor countries.**

5. [“Grand Challenges Canada will lead the way in making a better, safer and healthier world ... It is an ambitious new Canadian organization aimed at supporting global partnerships to solve the developing worlds most difficult and pressing health challenges.”](#)
