Over the past seven years, more than 1,300 children and adults have participated in [Future Possibilities for Kids](#)' one-of-a-kind leadership and life skills development programs. Programs are delivered to 8- to 14 years old children in Toronto, York Region and London, Ontario. In the **Ready, Set, Goal!** and **KidCouncil** programs, Kids partner with trained KidCoaches to build the skills and self-confidence they need to accomplish their community-oriented goals. At no cost to their families, these Kids develop new outlooks and habits they'll use and benefit from for the rest of their lives. The Kids and the Coaches in our community collectively represent more than 30 nationalities and 15 religions and speak more than 24 languages. What do they have in common? They're all dedicated to Possibility Thinking and to growing as leaders.
