Innovating for young people's **WELLBEING**

## OPPORTUNITY FOR COLLABORATION – ANALYZING LOCAL MENTAL HEALTH AND WELLBEING NEEDS OF YOUNG PEOPLE IN **MOROCCO**

### WHO WE ARE

Being is an international mental health initiative working towards a world where young people feel well and thrive. It is hosted by [Grand Challenges Canada](#), in partnership with [Fondation Botnar](#), [United for Global Mental Health](#), [Global Affairs Canada](#) and the UK's Department of Health and Social Care, using UK aid through the [National Institute for Health and Care Research \(NIHR\)](#). Being is working with young people to improve their mental wellbeing through research and innovative youth-focused approaches to create positive, lasting change in local communities and beyond.

### REQUEST FOR PROPOSALS

We're looking for researchers, organizations or groups based in a low- or middle-income country to help us understand the mental wellbeing needs of young people and lead stakeholder engagement efforts in Morocco for up to one year (2023-2024).

Those selected will analyze local information on young people's mental health and wellbeing and lead stakeholder and network engagement to scope opportunities for investment and collaboration in Morocco.

These findings and engagements will help determine the next phase of funding for Being and identify opportunities to catalyze change for young people's wellbeing in Morocco.

### ELIGIBILITY REQUIREMENTS

- Applicants must be based in Morocco, or be based in a low-or middle-income country (LMIC) or be a partnership with the lead entity based in an LMIC.
- The proposal must demonstrate sectoral and technical expertise and capacity in the analysis of available mental health information, stakeholder and network engagement in Morocco

## DEADLINE

**This is an open call for proposals, and we will accept applications on a rolling basis. We strongly encourage those interested to apply by the soft deadline: **March 30, 2023 at 5:00 p.m. EST****
