This includes:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Considering how the innovation empowers women, Two Spirit, queer, trans, non-binary, and gender-diverse individuals</li> <li><input type="checkbox"/> Hiring practices that advance gender equality</li> <li><input type="checkbox"/> Leadership and decision-making roles, for example on the Board of Directors or governance body, as well as in executive/leadership roles</li> <li><input type="checkbox"/> Primary end user(s) of the innovation</li> <li><input type="checkbox"/> Plans for how they can address or improve gender equality across their project or organization</li> </ul>	
<p><b><u>Potential for scale/sustainability</u></b>  <b>Out of 5</b></p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Has a clear vision for the innovation</li> <li><input type="checkbox"/> Clearly states what success looks like for them and includes an overview of what a path to scale and sustainability looks like for their project</li> <li><input type="checkbox"/> Demonstrates passion for the idea and a commitment to bringing it to life</li> <li><input type="checkbox"/> Demonstrates consideration of the project's future sustainability, including considerations of leadership, governance, organizational continuity, resources, and partnerships</li> <li><input type="checkbox"/> Demonstrates consideration of the project's potential for scale, including consideration of strategic partnerships and stewardship of resources (e.g., land, funding)</li> <li><input type="checkbox"/> Provides a high-level overview of the project's plan for implementation</li> </ul>	<p><b>/5</b></p>
<p><b><u>Fit with grant size and scope</u></b>  <b>Out of 10</b></p> <p><b>OUT OF 5:</b>  Provides a reasonable budget, which:</p> <ul style="list-style-type: none"> <li><input type="checkbox"/> Demonstrates an understanding of how much the project will cost to implement, e.g., salaries are in line with living wages</li> <li><input type="checkbox"/> Budget items align with the project activities mentioned in the application</li> </ul> <p><b>OUT OF 5:</b></p>	<p><b>/5</b></p>

Project is feasible: \***NOTE:** this is not whether the idea will work or not. The purpose of the grant is to test bold ideas that might not work, but if they do would have a high potential for positive impact.

- Activities match what is possible with maximum budget of CAD\$125,000 (for seed) or seems well thought out and reasonable
- Major milestones of the project can likely be achieved within 12 months
- Has the right team and networks to implement the project, or a strong plan for how they will get them.
- Demonstrates a good understanding of the skills, resources and supports they will need to implement their proposed project.
